Item No. 2 Local Improvement Advertisement Policy

COMMUNITY COMMITTEE RECOMMENDATION:

On February 19, 2015, the East Kildonan-Transcona Community Committee recommended to the Executive Policy Committee that the Winnipeg Public Service be requested to establish a policy which would require any city department, prior to the advertisement of a local improvement, to consult with the area Councillor.

DECISION MAKING HISTORY:

COMMUNITY COMMITTEE RECOMMENDATION:

On February 19, 2015, the East Kildonan-Transcona Community Committee passed the following motion:

WHEREAS Local Improvements initiated and advertised by the City of Winnipeg have a direct impact on those who would be paying for that Local Improvement.

AND WHEREAS The Councillor for the area of the proposed Local Improvement should be consulted and notified prior to the advertisement of a Local Improvement by the Public Works Department or Water and Waste Department.

THEREFORE BE IT RESOLVED That the Executive Policy Committee request the Winnipeg Public Service to establish a policy which would require any city department, prior to the advertisement of a local improvement, to consult with the area Councillor.
