REASON FOR THE REPORT:

It is required that the Executive Policy Committee provide a negotiations mandate to the Administration and that City Council ratify all Collective Agreements entered into by the City of Winnipeg and Civic Unions/Associations.

HISTORY:

1. The prior Agreement between the City of Winnipeg and WPSOA expired on December 20, 2004.
2. Collective bargaining commenced in May 19, 2006 and a tentative agreement was reached on June 13, 2006.
3. This bargaining unit includes personnel who supervise members of the WPA unit. Historically, wage increases for WPSOA have reflected those of WPA.
4. The last WPA contract was settled in December 2005 and provided general wage increases in excess of those being provided to the WPSOA.

DISCUSSION:

1. In determining an appropriate general wage increase and benefit improvements to members of WPSOA, consideration was given to:
   - The financial impact on the City
   - Negotiated settlements with other Civic bargaining units and in particular, the settlement with the WPA.
   - Negotiated settlements in comparable organizations with comparable employees in other jurisdictions.
   - Negotiated settlements in the local market.
   - The historical relationship between WPA and WPSOA.

2. **Financial Impact:** The estimated cost of the proposed agreement over the two year term (2005 – 2006) is $ 0.295 million. There are sufficient budgeted funds to cover the cost of the Agreement.

3. **Negotiated Settlements in the Local Market:** Wage increases for major Manitoba employers have been in the range of 2.0% - 2.5%.

4. **Arbitration Awards:** There are no current arbitration awards covering the term of this Agreement.

5. **Negotiated Settlements with other Civic Bargaining Units:** Recent agreements with other civic units include CUPE at 1.75% for 2006 and 2.25% for 2007 and WPA at 4.75% for 2005 and 2.25% for 2006.

6. **Public Sector Settlement Patterns:** Based on recent public settlements of varying durations across Canada, the average wage increases in the first year of agreements is 2.5%, 2.9% in the second year and 3.0% in the third year.
