		REPORTS	
1	Repeal of Public Health Licences - Doing Business in Winnipeg By-law No. 91/2008, and Consequential By-law Amendments	The Executive Policy Committee concurred in the recommendation of the Winnipeg Public Service and recommended to Council: 1. That an amending by-law (draft attached as Appendix 1) be enacted to take effect April 1, 2015 which will: A. repeal Divisions of the Doing Business in Winnipeg By-law No. 91/2008 governing the licensing of businesses that require Public Health Inspection services and oversight, specifically: • Division One (pertaining to Body Modification Services); • Division Three (pertaining to Food Services); and • Division Eight (pertaining to Public and Semi-Public Swimming Pools and Whirlpools); B. amend the Food Service Establishment By-law No. 5160/89 and the Body Modification By-law No. 40/2005 to eliminate the requirement for compliance with the Doing Business in Winnipeg By-law No. 91/2008, but maintain requirements for applicable Permits and Certificates issued by the Province of Manitoba's Public Health Inspectors, to ensure safe operation of these businesses; C. amend the Body Modification By-law No. 40/2005 to permit the Province of Manitoba's Public Health Inspectors to approve the exclusive use of commercially-sterilized, pre-packaged instruments, which require no further sterilization prior to use, in place of the requirement for an on-site autoclave and monthly spore testing, to align with current industry standards; D. amend the Streets By-law No. 1481/77, the City of Winnipeg Traffic By-law No. 1573/77 and the Parking Meter By-law No. 6547/95 to • maintain the current restrictions on the location of mobile vendors through those by-laws instead of the Doing Business in Winnipeg By-law; • require food carts and other vendors operating on sidewalks to obtain Use of Street Permits, issued by Public Works;	Council

		• require food trucks and other vendors operating from the roadway to obtain a Mobile Vendor's Parking Permit, issued by the Winnipeg Parking Authority, which will exempt vendors from parking time limits and from the requirement to pay for parking; • allow for the Winnipeg Parking Authority to limit the number of mobile vendors operating on particular blocks of a street. 2. That the application of existing Use of Street Permit fees be approved to facilitate seasonal operation of mobile vendors operating on sidewalks and boulevards. Permit would be valid for the entire year; however, monthly space rental fee would be reduced to equate to a half year rental in consideration of seasonal operation: Sidewalk Carts (Public Works) • Annual permit fee • Monthly space rental fee per m2 of sidewalk used (charged for half a year) • Administration fee 3. That the following new fees be approved to the Fees and Charges Schedule for Mobile Vendor's Parking Permits on roadways, inclusive of administration charges: Trucks and Trailers on Roadways (Winnipeg Parking Authority) (Apr 1 - Oct 31, no proration) • High Demand Zone Permit (Vehicle under 22ft): • High Demand Zone Permit (Vehicle over 22ft): • Low Demand Zone Permit (Vehicle under 22ft): • Low Demand Zone Permit (Vehicle over 22ft): • Non-Metered Area Permit: 4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
