## HISTORY

On May 12, 2010, Executive Policy Committee received as information, details of an amendment to Administrative Standard FM-002 that, effective January 1, 2011, competitive bids are required for:

a) consultant services relating to capital projects included in the capital budget, where the estimated value of the consultant service exceeds $100,000 in total, including all phases of any given project;

b) consultant services, other than those related to capital projects, where the estimated value of the consultant service exceeds $35,000 in total, including all phases of any given project.

unless otherwise authorized by Executive Policy Committee.

On June 27, 2012, Council authorized the Chief Administrative Officer to:

a) amend Administrative Standard FM-002 to require submission of the Report on Consultant Assignments to Council on an annual basis; and

b) report annually, where the Chief Administrative Officer has approved a single source exceeding certain specified dollar amounts, as part of the Report on Consultant Assignments to the Executive Policy Committee.

Executive Policy Committee recommends, where the Chief Administrative Officer approves a single source assignment, pursuant to B4.1 (j) (emergency), which exceeds the dollar amount set out above, such approvals be reported at least annually.

The following Appendices contain information obtained from each department relating to Consultant services for the period of January 1 to December 31, 2013.

- Appendix A (pg. 5) - Summary of all “other than Capital” contracts summarized by Type of Service and Total Payment for **all** City departments.
- Appendix B (pg. 6) - Summary of all “other than Capital” contracts summarized by Type of Service and Total Payment for **each** department.
- Appendix C (pg. 9) - Details of “other than Capital” contracts.
- Appendix D (pg. 15) - New single source for 2013 “other than Capital” and “Capital” with an explanation for any single source exceeding the limits set out by Executive Policy Committee effective January 1, 2011.

All entries have been reviewed for compliance with Administrative Standard FM-002. Where inconsistencies occur, an explanation is included on the spreadsheet.

The Report includes all Public Service Departments.

The Mayor and Council assignments are reported in the annual Councillors’ Representation Allowance Fund audit.

Consultant services are services provided directly to the City of Winnipeg (City), as defined in Administrative Standard FM-002 including:

- Medical doctors, dentists, nurses, pharmacists, veterinarians, engineers, land surveyors, architects, accountants, lawyers and notaries, accredited real estate appraisers, agrologists, dietitians, home economists, interior designers, occupational therapists, optometrists, physiotherapists, psychiatric nurses, psychologists, trainers, speech and hearing therapists and landscape architects
- Communications consultants, Information technology consultants, management consultants, and training consultants

Where competitive bids are not required and the assignment is approved by the Department Head, the following applies:

For “other than Capital” Consultant assignments, over-expenditures can be approved by the Department Head up to a total value (including the over-expenditure) of $35,000.

For “Capital” Consultant assignments, over-expenditures can be approved by the Department Head up to a total value (including the over-expenditure) of $100,000.

All over-expenditures on single source Consultant assignments exceeding the above amounts are approved by the Chief Financial Officer.
