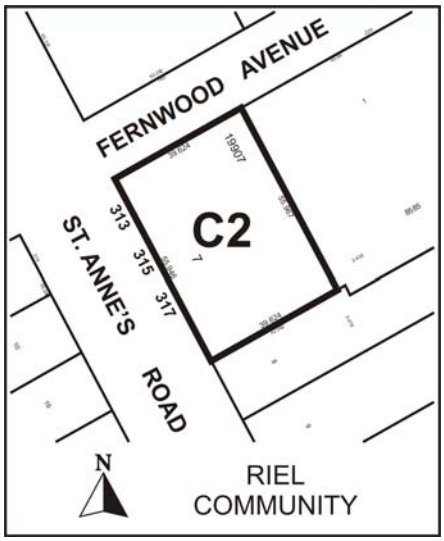
Subject: To amend By-Law No. 6400/94 by rezoning the land shown below from a "C1" Commercial District to a "C2" District.

Location: 313 St. Anne's Road

Legal Description: Lot 7, Plan 19907



Applicant: Ash Management Group Inc.

Owner: 4578911 Manitoba Ltd.

Recommendation: *Approval*

6072

Site Description:

The subject commercial mall is situated at the N.E. corner of Fernwood Avenue and St. Anne's Road. It is currently zoned "C1" Commercial and has had a variety of tenants over the years including a bank, food-store, printing business and a Goodwill outlet. To the north are large apartment complexes zoned "R1-4" Multiple. To the East, South and West are apartment buildings zoned " R1-2" Multiple. And to the North-West is a larger commercial mall zoned "C2" Commercial.

Description of the Proposed Development:

Nothing essentially changes with respect to the overall building footprint or the parking areas. However the owner would like to lease space (upwards of a third of the overall area) for use as a martial arts studio. Procedurally, a rezoning to a "C2" Commercial zoning category is required and since it is difficult to rezone just a portion of the building for the aforementioned use, we have recommended that the entire site be changed from " C1" to " C2" Commercial. An accompanying use variance , if approved, will permit the owner to establish the new use in advance of the approval of the rezoning by City Council.

Analysis:

The Administration supports the proposed rezoning in view of the fact that most of the frontage along St. Anne's Road, north and south of Fermor Avenue , is now zoned "C2" Commercial. C2 Commercial does not permit Its important to note that "C2" Commercial does not permit such uses as carwashes, convenience stores or drive –through restaurants as of right. They are subject to an additional conditional use application. The "C2 "zoning also allows for a broader list of uses, making it easier for owners to lease space in the large number of lineal malls that have been created along major arterials such as St. Anne's Road over the years.

Recommendation:

The Planning and Land Use Division recommend approval for the following reasons:

- The proposed zoning is in character and consistent with frontage properties along most of St. Anne's Road. The proposed use will not , in our view, adversely affect adjoining properties.

Recommended Conditions of Approval:

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 203/07, attached hereto and dated March 6, 2007, to a "C2" Commercial District.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
