REPORT

RECOMMENDATION(S):

I. That the City Solicitor be instructed to prepare the necessary by-law for submission to Council to effect the lane corner widening in accordance with the attached **Schedule "A"**, Misc. Plan No. 8824/1.

II. That the proper officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

REASON FOR THE REPORT:

The lane corner widening requires a by-law pursuant to Section 495 of the City of Winnipeg Act.

HISTORY:

In 1993, the Board of Commissioners approved a report from the Director of Operations and instructed the Planning, Property and Development Department to negotiate for the acquisition of the land required for the subject lane corner widening, as illustrated on Schedule "A". The owners of the land agreed to sell the property to the City in 1993. The City has paid for the land and registered a caveat against the title to the property giving notice of its intention to dedicate the land as public lane. The corner cut has been constructed.
