REASON FOR THE REPORT

In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development shall authorize the leasing or rental of City property for which the Director of Planning, Property and Development has no authority.

In this regard, the Planning, Property, and Development Department has negotiated the proposed terms and conditions of a Lease Agreement as set out in attached Schedule A in favour of ICETIME Sports for the use of a portion of City-owned property at 745 Kingsbury Avenue and identified as "Main Floor Lease Area 1190 square feet" on the attached Miscellaneous Plan No. 12815/5 plus 91 sq. ft. of appurtenant storage space

Council approval is required for all grants.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Department has determined that there is no general, policy, regulatory, environmental or human resource implications to entering into a Lease Agreement as set in the attached Terms and Conditions.

- The Garden City Community Centre will receive an annual operating grant equivalent to the annual lease revenues collected to help offset operating costs within the facility.

- The proposed lease is for an initial term of ten (10) years and in the event the options to renew are exercised, a total of twenty-five (25) years.

HISTORY

On March 26, 2014, Council approved the proposal to develop the multi-pad arena development at the Garden City Community Centre: "The Seven Oaks Arena Project" ("SOAP").

On June 27, 2014, the City entered into a funding agreement with GCCC setting out the terms and conditions pursuant to which City and Province of Manitoba funding is to be provided to the GCCC for the construction of the SOAP. Included in the funding agreement was a provision that the GCCC receive, among other revenues, lease revenues. Any monies remaining after the payment of certain specified costs and expenses are defined as "Annual Surplus Cashflow".

The GCCC is obliged to use 50% of the Annual Surplus Cashflow to service the principal and interest payments on debt associated with the SOAP until such time as GCCC's $5.67 million share of such debt plus interest is repaid in full. Once the GCCC portion of the loan is paid in full, the GCCC will annually transfer 50% of Annual Surplus Cash Flow to a restricted capital reserve to be used exclusively for GCCC capital improvements.

ICETIME Sports has expressed its interest to lease space on the main floor within the Seven Oaks Arena Complex for the purpose of selling sports goods and clothing.

The application was circulated to applicable City departments and public utilities for consideration and comments. All comments and concerns have been incorporated into the signed terms and conditions.

The Risk Management Division of Corporate Finance reviewed the insurance requirements for this proposed lease and their comments have been incorporated into the terms and conditions.

The Planning, Property, and Development Department has negotiated proposed terms and conditions of a Lease Agreement in favour of ICETIME Sports.

This report seeks approval of the Proposed Terms and Conditions as negotiated.
