re: DCU 07-114715/B.

I would like to appeal the approval of the conditional use for an escort agency to be located on Fort St. beside the Vendome Hotel for the following reason

1) too near residential units.

2) This contradicts the city's encouragement for family life downtown, and the deregulization of the zoning, permitting more residential downtown.

3) This area already is fighting against other detrimental problems. We do not need more. These problems which are limited to the over excessive amount of premises providing liquor sales within one city block.
