**Minutes – Standing Policy Committee on Downtown Development, Heritage and Riverbank Management – October 5, 2015**

DECISION MAKING HISTORY:

Moved by Councillor Gerbasi,

That an extension of time of 60 days be granted for the Winnipeg Public Service to report back as directed on May 25, 2015.

Carried

STANDING COMMITTEE RECOMMENDATION:

On May 25, 2015, the Standing Policy Committee on Downtown Development, Heritage and Riverbank Management concurred in the recommendation of the City Centre Community Committee and requested that the Winnipeg Public Service review design options, costing, and potential funding partnerships, including potentially partnering with the Winnipeg Public Art Program, for establishing a new dock at this location, and report back within 90 days.

COMMUNITY COMMITTEE RECOMMENDATION:

On May 5, 2015, the City Centre Community Committee passed the following motion:

WHEREAS the wooden waterbus dock located at Osborne Village in Gerald Lynch Park is no longer usable;

AND WHEREAS there is a need to re-establish a docking location as this is a key stop for the waterbus service on the Assiniboine River;

THEREFORE BE IT RESOLVED that the City Centre Community Committee recommend to the Standing Policy Committee on Downtown Development, Heritage and Riverbank Management that the Winnipeg Public Service be requested to review design options, costing, and potential funding partnerships, including potentially partnering with the Winnipeg Public Art Program, for establishing a new dock at this location, and report back within 90 days.
