RECOMMENDATIONS

1. That the proposed license agreement be approved in accordance with the terms and conditions as contained in Schedule “A” incorporating such other terms and conditions deemed necessary by the City Solicitor in order to fulfill the intent of Council.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The proposed license agreement is for a 30 year term and requires Council approval.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Department has determined that there are no general, policy, regulatory, environmental, human resource or financial implications to entering into a License Agreement as set in the attached Schedule "A" (Terms and Conditions).

- The proposed license would be for a thirty (30) year term wherein the West Broadway BIZ would be responsible for maintenance, repairs and upkeep of the Community Seating Node. This is in place through a separate Legal Funding agreement that the City of Winnipeg has with the West Broadway BIZ, which states:

    - *6(2) The parties agree that the City shall have no responsibility for maintenance of the Work once it is completed. The Recipient, West Broadway BIZ shall assume sole responsibility for maintenance of the Work when completed in accordance with the Agreement.*

- The Business Improvement Zones are covered under the City's core liability insurance policies for bodily injury or damage to third parties through Risk Management Division. Claims arising out of poor maintenance of the Community seating Node may result in increased premium cost to the City's liability insurance policies.

HISTORY

The City of Winnipeg Charter provides for City Council to create the West Broadway BIZ. The West Broadway BIZ has compiled a comprehensive Streetscaping Enhancement Strategy Plan called "The Community Seating Nodes" within the West Broadway BIZ boundaries. The City of Winnipeg has reviewed the West Broadway BIZ Community Seating Nodes Streetscaping Enhancement Strategy plan and has agreed to the concepts and designs within that plan.

The community seating nodes to be located on the Great West Life lands as outlined on the attached Schedules "B" to "D", to complete part of the "West Broadway Streetscaping Project".

Before the West Broadway BIZ can complete this phase of the project, the BIZ is asking the City to assist them by entering into a license agreement on behalf of the West Broadway BIZ so that Community Seating Nodes can be constructed to improve the street image, for the convenience and safety of the residents.
