Carried

STANDING COMMITTEE RECOMMENDATION:

On January 12, 2016, the Standing Policy Committee on Property and Development, Heritage and Downtown Development requested Council to direct the Winnipeg Public Service to report back to Committee in 90 days on the implementation of free Wi-Fi services to the public in City of Winnipeg facilities.

COUNCIL DECISION:

On November 25, 2015, Council ruled automatic referral of the following motion to the Standing Policy Committee on Property and Development, Heritage and Downtown Development:

Moved by Councillor Allard,
Seconded by Councillor Mayes,

WHEREAS in a thriving modern city, municipal facilities need to be leaders in meeting the public's expectation of modern services being available in our facilities;

AND WHEREAS the opportunity exists to offer free Wi-Fi Internet to the public in hundreds of municipal facilities at little cost to the city of Winnipeg;

AND WHEREAS private Wi-Fi services are currently offered in many city facilities but in many cases, these services are not available to the public;

AND WHEREAS there are currently hundreds of Wi-Fi access points in City owned facilities where internet service providers pay a modest fee to the city for these Access Points;
