Planning, Property and Development Department Report

To City Centre Community Committee

Date: February 20, 2007
File: **DAZ 251/06**
Related Files: DAV 06-165222/D
Subject: To rezone the land shown outlined below from an "R1-3.5A" Single-Family District to an "R2A" Two-Family District.

Location: 901 Garwood Avenue
Legal Description: SP Lot 75, Plan 28981

Applicant: Renovation Masters (Damien Rakowski)
Owner: 5710061 Manitoba Ltd

Recommendation: *Approved*

Site Description

The subject site is located at the north west corner of Garwood Avenue and Stafford Street. The site is developed with an older, 1-storey dwelling. It's zoned "R1-3.5A" Single-Family District. Adjacent properties include single-family dwellings (to the west and north across the public lane, zoned "R1.3.5A"); personal services (to the east across Stafford, zoned "R1-3A" Single-Family District); and office and single-family dwellings (to the south across Garwood, zoned "C1" Commercial District and "R1-3.5A", respectively).

Subject site: aerial photo flown 2005.

Description of the Proposed Development

The applicant intends to demolish the existing dwelling and develop a 2-storey residential duplex. Each suite is proposed to have two-bedrooms and be comprised of approximately 1100 square feet. Parking spaces are provided to the rear (north) of the site, with direct access via the public lane. Under DAV 06-165222/D, the applicant seeks relief from lot area and lot width requirements. In addition, in order to establish the duplex prior to the rezoning being put into force and effect, use variance application has been made (also under DAV 06-165222/D).

Analysis

This portion of the Rockwood neighbourhood is designated "Neighbourhood" under *Plan Winnipeg*. This designation accommodates a range of residential densities, along with

commercial, institutional, and parks & recreation uses. The proposed duplex represents modest residential infill along a regional street (Stafford Street) that is also served by Winnipeg Transit.

This development is compatible with its immediate context and exhibits responsible residential densification at an appropriate location.

Recommendation
The Planning and Land Use Division recommends approval for the following reasons:

- the proposal is consistent with *Plan Winnipeg*; and
- the proposed duplex complements the neighbourhood context and demonstrates a good land use – transportation fit.

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DAZ 251/06, attached hereto and dated February 20, 2007, to an "R2A" Two-Family District.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
