February 10, 2016

Dear Mayor Bowman:

Re: Review Engagement Report on the Memorandum of Agreement between the City of Winnipeg and the Winnipeg Fire Paramedic Senior Officers' Association

Pursuant to the motion adopted by Council on March 26, 1997, "The City of Winnipeg Collective Bargaining Agreements and the Involvement of Internal and External Auditors", we have reviewed the attached report entitled *Negotiations between the City of Winnipeg and Winnipeg Fire Paramedic Senior Officers' Association*, dated February 10, 2016 ("the report"). The report presents the forecasted net incremental costs to the Public Service of ratifying the proposed Memorandum of Agreement between the City of Winnipeg and the Winnipeg Fire Paramedic Senior Officers' Association, dated December 8, 2015, and covering the period from August 24, 2014 to August 19, 2017. The forecast presented in the report is based on the Public Service's assumptions and interpretations of the provisions of the proposed Memorandum of Agreement as at the report date. Preparation of the report is the responsibility of the Corporate Support Services Department. Our responsibility is to provide assurance on the appropriateness of the report based on our review. Our review was made in accordance with generally accepted government assurance standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to the information provided to us by the Public Service. More specifically, we assessed the plausibility of the report, including the calculation of the net incremental costs, and the plausibility of the Public Service's underlying assumptions and interpretations of the provisions of the proposed Memorandum of Agreement.

Since the forecast in the report is based on its disclosed assumptions about future events, actual results for the agreement period will vary from those presented, and the variations may be material. Furthermore, a review does not constitute an audit and, consequently, we do not express any opinion as to whether the forecasted net incremental costs of the Memorandum of Agreement will be realized.

Based on our review, nothing has come to our attention that causes us to believe that the report has not, in all material respects, been prepared in an appropriate manner for the consideration of City Council.

The report was prepared for the purposes of City Council to ratify the proposed Memorandum of Agreement and, though it is a public document, it may not be suitable for use for any other purposes. The Public Service does not intend to update the figures presented in the report subsequent to its issuance.

Sincerely,

Bryan R. Mansky, CPA, CMA, MBA, CIA

Review of the Administrative Report of the Memorandum of Agreement dated February 10, 2016, between the City of Winnipeg and the Winnipeg Fire Paramedic Senior Officers Association (WFPSOA) for the term from August 24, 2014 to August 19, 2017

To: The City Council of the City of Winnipeg

At the request of the City of Winnipeg, we have reviewed the Administrative Report dated February 10, 2016, titled "Negotiations between the City of Winnipeg and the WFPSOA" prepared by the Corporate Support Services (financial information) to analyze the costs of the provisions of the Memorandum of Agreement dated December 8, 2015 between the City of Winnipeg and the WFPSOA for the term from August 24, 2014 to August 19, 2017 (Memorandum of Agreement). Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the City of Winnipeg.

A review does not constitute an audit and, consequently, we do not express an audit opinion on this financial information.

Management of the City of Winnipeg has made assumptions regarding the interpretations of the provisions of the Memorandum of Agreement which have been disclosed in the financial information.

Based on our review, nothing has come to our attention that causes us to believe that the financial information prepared by Corporate Support Services does not, in all material respects, reflect the cost of the provisions, and the assumptions regarding the interpretations of these provisions, of the Memorandum of Agreement between the City of Winnipeg and the WFPSOA for the term from August 24, 2014 to August 19, 2017.
