REASON FOR THE REPORT

- The City of Winnipeg Charter provides for the creation of a Business Improvement Zone (BIZ) by by-law. Changing the boundaries of the Downtown Winnipeg Business Improvement Zone (the “Downtown BIZ”) requires an amendment to the Downtown Winnipeg Business Improvement Zone By-law No. 8114/2002.
- To clarify zone boundaries and establish consistency between all Business Improvement Zone Bylaws created within the City of Winnipeg, written descriptions of BIZ boundaries set out in the various Business Improvement Zone By-laws are being replaced with maps which show the BIZ boundaries.

EXECUTIVE SUMMARY

- The Downtown Winnipeg Business Improvement Zone, continued by By-Law No 8114/2002, is one of sixteen Business Improvement Zones within the City of Winnipeg.
- The City Clerks Department received a petition from Canada Goose, a manufacturing facility located at 365 Bannatyne Avenue, seeking to have the Downtown Winnipeg BIZ boundaries expanded to allow the inclusion of their business (Attachment “B”).

- The proposed expansion follows the processes and procedures prescribed within the Business Improvement Zone Procedures By-Law No. 8111/2002 for adding a business to an existing Business Improvement Zone.
- This report also recommends that the existing written legal description of the Downtown Winnipeg BIZ boundaries in Schedule "A" of the Downtown Winnipeg Business Improvement Zone By-law be replaced with an easy-to-read map that provides a visual image of the Downtown BIZ boundaries.

IMPLICATIONS OF THE RECOMMENDATIONS

- There are no regulatory Implications resulting from the proposed recommendations.
- External organizations and the community at large will experience economic benefit from the proposed recommendations.

HISTORY

The City of Winnipeg By-Law No. 5080/89 created the Business Improvement Zone known as the Downtown Winnipeg Business Improvement Zone. The Downtown Winnipeg Business Improvement Zone By-law No. 8114/2002 continued the Downtown BIZ under the same name.

Business Improvement Zones are governed by a set of prescribed processes and procedures outlined within the Business Improvement Zone Procedures By-Law No 8111/2002 which grants Council the authority to expand the boundaries of a BIZ to include additional businesses if certain steps are followed, namely:

1) A petition must be filed with the City signed by more than 50% of the proprietors in the proposed additional area of the zone representing more than 50% of the total taxable business assessment in the proposed area of the zone;

2) The City Clerk must give notice to all the businesses in the proposed additional area of the petition and must offer them an opportunity to object to the BIZ boundary expansion; and

3) The City Clerk must ensure that no more than one-third of the businesses in the proposed additional area representing at least one-third of the total taxable business assessment of the proposed additional area of the BIZ have objected in writing to the boundary expansion prior to the date set by the Clerk.

A petition was submitted by Canada Goose, a clothing manufacturer located at 365 Bannatyne Avenue. The Property Assessment Department confirmed that Canada Goose is the only taxable business in the block bounded by Bannatyne Avenue, Gertie Street and William Avenue and that all Business Improvement Zone Procedures By-law requirements have been met.

The City Clerks Department confirmed that no objections were received for the proposed expansion of the boundaries to the Downtown Winnipeg BIZ.

To clarify zone boundaries and establish consistency between all Business Improvement Zone Bylaws created within the City of Winnipeg, this Report recommends that the written description of the boundaries of the Downtown Winnipeg BIZ contained in Schedule “A” of By-Law No 8114/2002 be replaced with a map that provides a visual image of the boundaries of the Downtown Winnipeg BIZ and attached hereto as Schedule “A”.

Accordingly, the Winnipeg Public Service is recommending that Council enact the amending By-law, a draft of which is attached hereto as Attachment “A”, to expand the boundaries of the Downtown Winnipeg BIZ to include the block bounded by Bannatyne Avenue, Gertie Street and William Avenue as denoted in the attached Schedule “B” and to replace the written boundary description with the map attached to this report and identified as “Schedule “A” to the Downtown Winnipeg Business Improvement Zone By-law No. 8114/2002”, which map includes the proposed boundary expansion.
