REASON FOR THE REPORT

In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development (now the Standing Policy Committee on Property and Development, Heritage and Downtown Development) shall authorize the leasing or rental of City property for which the Director of Planning, Property and Development has no authority.

In this regard, the Planning, Property, and Development Department has negotiated the proposed Terms and Conditions of a Lease Agreement as set out in attached Schedule A in favour of the Lord Roberts Children's Programs Inc. for the use of a portion of City-owned property at 725 Kylemore Avenue and identified as "Subject City Property" on the attached Misc. Plan No. 13058/1.

Council approval is required for all Grant Agreements.

EXECUTIVE SUMMARY

Request for a Lease Agreement for the purpose of operating a Day Care Centre at City-owned property located at 725 Kylemore Avenue, as specified in the History section of this report.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Department has determined that there is no general, policy, regulatory, environmental or human resource implications to entering into a Lease Agreement as set in the attached Terms and Conditions.

- The proposed Lease is for an initial term of five years with an extension option of five years.

- LRCP will be responsible for proportionate costs associated with the operation and maintenance of the subject property.

HISTORY

In 1989, the LRCC building was extensively renovated and expanded to serve the requirements of the Centre. As part of the process, the LRCP (formerly Lord Roberts Preschool Child Care Centre) received approximately $350,000.00 from the Manitoba/Winnipeg Community Revitalization Program (M/WCRP) for the development of a daycare centre. The Community Centre and Daycare Centre building requirements were merged and the plans for a renovated multi-purpose building was completed and officially opened in May 1990.

TheLRCP is an incorporated non-profit daycare with 55 licensed spaces that occupies a portion of the LRCC located at 725 Kylemore Avenue. The LRCP has been leasing the subject property since 1990 and is considered to be a tenant in good standing. The LRCP and LRCC have negotiated the priority and joint use of the facility (Schedule B).

A request was received from the LRCP to enter into a new agreement for the use of a portion of City-owned property shown as "Subject City Property" on the attached Misc. Plan No. 13058/1 for the purpose of operating a daycare facility.

The application was circulated to applicable City departments and public utilities for consideration and comments. All comments and concerns have been incorporated into the signed terms and conditions.

The Department has assessed the LRCP's proposal in association with the criteria to receive a Non-Monetary Grant (please see Schedules C and D, attached, for more information).

The Risk Management Division of Corporate Finance reviewed the insurance requirements for this proposed lease and their comments have been incorporated into the terms and conditions.

The Planning, Property and Development Department have negotiated proposed Terms and Conditions of a Lease Agreement in favour of LRCP.

The LRCC identified a new rate, which had to be adjusted to reflect operation costs and allocation of leased space. A new rate for operating costs was formulated and the LRCC and the LRCP are both in agreement with the new rate.

This report seeks approval of the Proposed Lease Agreement as negotiated.
