RE: DAC 4/2007 – PROPOSED CLOSING OF THE PUBLIC LANE BETWEEN NOS. 625 AND 635 PEMBINA HIGHWAY

FOR SUBMISSION TO: The City Centre Community Committee

REPORT DATE: March 23, 2007

RECOMMENDATION:

1. That the proposed lane closing as shown on Misc. Plan No. 13077/1 be approved and that the land be declared surplus to the City's needs.

2. That the City Solicitor/Manager of Legal Services be instructed to prepare the necessary by-law for submission to Council to effect the closing in accordance with Misc. 3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report Summary

Key Issues:

The owner of the property at 625 Pembina, Gimli Fish Company Limited, has applied to purchase a portion of the public lane. The balance of the lane will be offered to the owner of the Quality Inn at 635 Pembina.

The closing will eliminate the access from Pembina to the Quality Inn's parking lot and to the neighbourhood to the west. Alternate access to the hotel or the neighbourhood is available via Carter Avenue and Arbuthnot Street.

Report

REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The public lane proposed to be closed is the remnant of a lane that once ran between Pembina Highway and Arbuthnot Street. The larger part of the lane was closed and sold to the adjoining owner in 1972. The width of the balance of the lane was increased at that time to allow vehicles to turn around at the dead end created by the closing.
The lane is not used as a turnaround area. Vehicle do use the lane for access to the properties to the west.

The Planning, Property and Development Department has received a request from the Gimli Fish Company Limited, the owner of the property at 625 Pembina, to purchase the portion of the public lane shown as Parcel A on the attached Misc. Plan No. 13077/1. The applicant is planning to build an addition to the existing store on the site. The plans do not indicate any building addition in the closed lane.

The balance of the lane, shown as Parcel B on the drawing, will be offered to the owner of 635 Pembina.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Effect of the Lane Closing

While some vehicles use the lane to enter and exit the Quality Inn property at 635 Pembina, it is reasonable to assume that area residents are also using the lane and trespassing on the hotel property. Closing the lane will be a minor inconvenience, as access to the hotel or the neighbourhood is available via Carter Avenue and Arbuthnot Street. The extra distance that vehicles will have to travel will be approximately 150 metres.

Approach

The Public Works Department has advised that the applicant will be required to remove the approach from Pembina Highway and restore the curb, boulevard and sidewalk at her expense and to the satisfaction of the Director Public Works. If the applicant wants to retain the approach, a permit for a private approach will be required.

Easements

Manitoba Hydro, Centra Gas, MTS and Shaw Cable require easements for the maintenance of their infrastructure in the lane. No permanent structures will be allowed in these easement areas.

Transfer of Jurisdiction Over Public Rights-of-Way

The lane must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and

vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
