COUNCIL DECISION:

On February 24, 2016, Council ruled automatic referral of the following motion to the Standing Policy Committee on Water and Waste, Riverbank Management and the Environment:

Moved by Councillor Browaty,
Seconded by Councillor Eadie,

WHEREAS the first year of the new garbage and recycle cart system was an awful transition with subsequent years demonstrating flaws in the collection system;

AND WHEREAS similar to other Canadian cities, establishing a more competitive integrated waste management market in Winnipeg encourages more efficient and effective systems;

AND WHEREAS if one contract area of waste collection is failing, there will be other operations in Winnipeg who can pick up a district for the rest of the contract period;

THEREFORE BE IT RESOLVED that Water and Waste put out an RFP that calls for bids to provide waste collection service in the three Public Works areas of South, North and East districts, with staggered contract periods.
