RE: CHLIBOYKO PARK UPGRADES

On April 24, 2007 the Lord Selkirk – West Kildonan Community Committee heard a request by Ms Diane Chliboyko, on behalf of neighbourhood residents, to address a number of maintenance concerns at Chliboyko Park, located at Church Avenue and Penninghame Street.

The administration was requested to report back to the Lord Selkirk – West Kildonan Community Committee at an upcoming meeting with costs to complete a variety of park upgrades as suggested by Ms Chliboyko for consideration of possible funding.

The suggested park improvements with cost estimates are listed below:

1.	New Sign	$450
2.	Refurbish park benches	$600
3.	Construct new shrub bed	$500
4.	Shrub bed plant material	$650
5.	Re-landscape old horse shoe pits to turf	$800
6.	Plant 10 trees	$4,500
	TOTAL	$7,500

Hi Neighbour!

Re: Chliboyko Park

Hi Neighbour! My name is Diane Chliboyko which some of you might remember, from the days we fought to "Save Our Green Space" & won our issue with the City Of Winnipeg.
For those of you who weren't here, starting in April of 1988 we fought against the City Of Winnipeg & CMHC, to stop a proposed infill housing project as it entered into the variance stage. After six long years we succeeded in changing all open area on either side of the CPR right away, from Penninghame on the West & East, Machray on the North, & Cairnsmore on the East. As a result, we have Chliboyko Park, which I for one am very proud of.

Councillor Pagtakhan & I did a walk through about 4 years ago & spoke about upgrading our park. I was told the City was conducting a study of all parks in the area & would be done on a priority basis. I recently met up with him & reminded him that I had made subsequent calls to his office & was still waiting for a response. He apologized & said that "It's just one of those things that fell through the cracks."

Councillor Pagtakhan accepted my invitation to meet & discuss the matter again. We met & as a result of the meeting, I have been asked to attend at City Hall on Apr 24/07. Together we hope to acquire the following upgrades, as they pass through the Committee for Grant Initiatives.

The following are the proposed upgrade requests for Chliboyko Park to be completed in the current budget year 2007/2008.

1. New sign
2. Benches to be inspected for repair or replacement
3. Horseshoe pits to be extracted & covered over if not being utilized (safety issue)
4. Trees of colour to be planted sporadically throughout the park
   Number of trees & type are subject to funds & Dept of Forestry's availability.

   -Shubert Chokecherry
   -Golden Elder
   -Silver Maple
   -Oriental Cherry or something pink

5. Landscape slope beside sidewalk (Church & Penninghame east to railway track)

I am confident that together we can achieve this request, as we haven't asked for anything in nineteen years. I believe that you will concur with the above-mentioned proposal & will contact me **before Apr24** to advise your acceptance or concerns, as your opinion is greatly appreciated. Thank you.

Diane Chliboyko

PS: If you are interested in planting some flowers or could help with the maintenance please don't hesitate to call.
