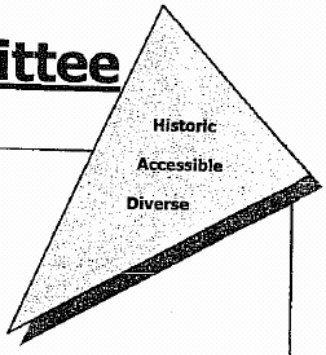
Point Douglas Residents Committee



Make Point Douglas a *Crack-Free Zone!*

Crack dealers create negative alternatives for our youth and contribute to the poor reputation of our neighbourhood.

Community residents are attending to over 25 blocks in order to make their streets safer for their children. This network has successfully closed five crack houses and identified many other problem houses to the authorities.

Join us in early **OCTOBER** for the campaign kick off of
"MAKE POINT DOUGLAS A CRACK FREE ZONE".

If you have any concerns, or if you want to become a safety representative for your block, call Chris at

Point Powerline

Point Powerline is a block-by-block community safety network that identifies problem houses and criminal activity.

We need your help. We want to find 2 or 3 residents on every street to be a community safety representative. You can make your street a safer place for you children. So far, almost 50 houses have been reported to the authorities.

Safety representatives are **ANONYMOUS**. They will not be identified and are not included in reports to authorities.

Community Clean up

Help keep your neighbourhood beautiful.
Join us at the ***Annual Fall Clean Up.***

Date: Saturday, Sept. 29th
Time: 10 am
Place: Joe Zuken Park

Free Lunch!

The PDRC

The Point Douglas Residents Committee (PDRC) is your neighbourhood volunteer association.

We want to help make our neighbourhood a better place by helping community groups in any way we can.

Our temporary office is in the Ross House. Call us at _ _ _ _ to find out more. Messages will be returned as soon as possible.

Point Douglas Tree Lovers

The PDRC will be banding public trees in the North Point Douglas Area to protect them from Dutch Elm Disease. Watch for your Community Treebanders and help them band a tree.

Volunteer to protect the beautiful trees on your street.

"It only takes 10 minutes to save 100 years of history."

Call John (your local Treebander) to find out more at
