RE: Technical Amendment – Subdivision and Rezoning By-law No. 27/2018

On April 26, 2018, Council passed By-law No. 27/2018 to subdivide and rezone land located on Des Hivernants Boulevard and Grey Heron Drive.

It has come to our attention that By-law No. 27/2017 contains an error whereby the maps contained therein do not accurately reflect the maps which were approved by Council on February 22, 2018.

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council's attention by communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Ken McKenzie via email.

If you have any questions, feel free to contact me.

Thank you.
