HISTORY/DISCUSSION

In February 2014, a tentative agreement was ratified between the United Fire Fighters of Winnipeg Local 867 of the International Association of Fire Fighters ("UFFW") and the City of Winnipeg. Within the ratified agreement was a Letter of Understanding whereby the parties agreed to come to an agreement on the terms of leave and reimbursement for the UFFW President. In March 2014, a Letter of Agreement was reached regarding the UFFW President's Salary whereby the UFFW was to reimburse the City 40% of his salary and benefit costs. Prior to this letter of agreement, the City had been paying 100% of the UFFW President's Salary. The negotiated Letter of Agreement contains a term indicating that the arrangement will expire when Alex Forrest is no longer the President of the UFFW.

On June 21, 2018, Council directed the Public Service to engage in discussions with the United Firefighters of Winnipeg Local 867 of the International Association of Fire Fighters regarding the March 4, 2014 – Letter of Agreement – UFFW Presidents Salary. The Parties subsequently met on July 4, 2018. The UFFW asserted that their participation in the discussions on the Letter of Agreement did not arise out of Letter of Understanding (LOU) No. 20, but rather, pursuant to s.75 of the Labour Relations Act (LRA). Section 75 of the LRA allows the Parties to a collective agreement to agree to modify a provision of the collective agreement during the term thereof.

The City agreed, on a without prejudice basis to its position on LOU No. 20, to negotiations under s.75 of the LRA regarding the terms of the March 4th, 2014 Letter of Agreement.

Given that the discussions constitute negotiations with the UFFW, the particulars of the discussions between the Parties are confidential as per LOU No. 3 – Bargaining Protocol (attached hereto as Schedule "A"). Accordingly, the City and the UFFW are prohibited from discussing the details until the negotiations have concluded.

The Parties have agreed to exchange written proposals regarding the subject matter of the negotiation during the summer months and have agreed to a second meeting prior to the end of September 2018.
