Report

REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

Roseberry Street between Sargent and Saskatchewan Avenues was dedicated in 1953. Roseberry Street between Sargent Avenue and a point 20 feet south of the Airport property was closed and sold in 1955. The portion of Roseberry contained within the limits of the Airport property has also been closed. The balance of the street is shown on the attached Misc. Plan No. 10249/6. This portion of the street may have been intended for use as part of a private lane connecting to Berry Street to the east. The street no longer serves this or any other any public purpose.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Transfer of Jurisdiction Over Public Rights-of-Way

The closed street will be offered for sale to the adjoining property owner. The street must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
