Item No. 16 List of Historical Resources – Nomination of G.F. & J. Galt Block, 103 Princess Street

COMMITTEE RECOMMENDATION:

On November 22, 2018, the Historical Buildings and Resources Committee recommended to the Standing Policy Committee on Property and Development, Heritage and Downtown Development that G.F. & J. Galt Block, 103 Princess Street be added to the List of Historical Resources, with the following character defining elements:

1. Exterior:

    A. Four-storey brick and stone building with flat roof with main facades facing west onto Princess Street and north onto Bannatyne Avenue, the south facade partially concealed by the neighbouring building and the rear facade facing east onto a back lane;

    B. The front (west) and north facades with their rusticated stone cladding at grade, recessed window bays separated by brick pilaster each holding large main floor windows in rectilinear and arched openings, single, paired and triple windows in arched openings on the second and third floors and large singular windows in arched openings on the fourth floor and corbelled brick cornice below the brick and stone parapet;

    C. Main entrance set in the northwest corner, the upper floors of the corner stone clad and rounded; and

    D. Rectilinear opening near the south end of the west facade with steel lintel leading to interior loading dock.

2. Interior:

    A. Heavy timber structural system in the original building and steel structural system in the south addition;

    B. Ornamental tin ceiling on second floor of south addition;

    C. Walk-in vault on main floor of original building;

    D. Examples of metal-clad fire doors; and

COMMITTEE RECOMMENDATION (continued):

E. South end main floor loading area with its wood and glass partitioning and metal loading doors.
