Agenda – Standing Policy Committee on Property and Development, Heritage and Downtown Development – May 27, 2019

REPORTS

Item No. 19 List of Historical Resources – Nomination of Winnipeg Aqueduct St. Boniface Surge Tank, 866 Taché Avenue

COMMITTEE RECOMMENDATION:

On April 17, 2019, The Historical Buildings and Resources Committee recommended to the Standing Policy Committee on Property and Development, Heritage and Downtown Development that Winnipeg Aqueduct St. Boniface Surge Tank, 866 Taché Avenue be added to the List of Historical Buildings with the following character defining elements:

1. Exterior:

    A. The round, utilitarian, dark brick structure located east of Avenue Taché near the banks of the Red River

    B. The rough-cut limestone base topped by a concrete band encircling the tank except for the small, east-side door

    C. The ornamental brickwork with header and stretcher courses, arches and diamond shapes with concrete accents

    D. The roof line embellished with raised brick, stone and concrete cornice and concrete capped brick parapet

DECISION MAKING HISTORY:

COMMITTEE RECOMMENDATION:

On April 17, 2019, The Historical Buildings and Resources Committee recommended to the Standing Policy Committee on Property and Development, Heritage and Downtown Development that Winnipeg Aqueduct St. Boniface Surge Tank, 866 Taché Avenue be added to the List of Historical Buildings with the following character defining elements:

1. Exterior:

    A. The round, utilitarian, dark brick structure located east of Avenue Taché near the banks of the Red River

    B. The rough-cut limestone base topped by a concrete band encircling the tank except for the small, east-side door

    C. The ornamental brickwork with header and stretcher courses, arches and diamond shapes with concrete accents

    D. The roof line embellished with raised brick, stone and concrete cornice and concrete capped brick parapet

The Historical Buildings and Resources Committee received a written submission from the owner dated April 2, 2019, in support of the building being added to the List of Historical Resources.
