RE: Amendments to the Reduced Speed School Zone By-law

On June 25, 2014, Council enacted the Reduced-Speed School Zones By-law No. 76/2014. On July 16, 2014, Council adopted the following resolution with respect to future changes to the reduced-speed school zones set out in the By-law:

> The Director of Legal Services and City Solicitor be authorized to bring forward directly to Council by way of a communication and without the need for review by any Standing Policy Committee or Executive Policy Committee any proposed additions, subtractions or other modifications or changes to the reduced-speed school zones created by the Reduced-Speed School Zones By-law which are made possible by changes to the Reduced-Speed School Zone Regulation, Manitoba Regulation 136/2013 or for other reasons.

Pursuant to this resolution, please find attached a By-law making a variety of amendments to the Reduced-Speed School Zones By-law 76/2014 for consideration and enactment by Council at its next meeting.

For Council's information, the following explanations have been provided by the Department of Public Works concerning the proposed amendments:

Ecole Waterford Springs School and Ecole Templeton School are new schools that will open for classes in September, 2020. Both of these schools are N-8 schools. The Reduced Speed School Zones around these schools will help protect students.

If you have questions concerning this matter, please feel free to contact me.
