Agenda - Executive Policy Committee - February 12, 2003

REPORTS

Item No. 3. Vehicle Scrappage Program Proposal
File E-7 (Vol. 1)

CIVIC ENVIRONMENTAL COMMITTEE RECOMMENDATION:

On February 3, 2003, the Civic Environmental Committee recommended that the proposal of The Manitoba Lung Association be referred to Executive Policy Committee for consideration. CEC requests a review of the program proposal to examine potential benefits of the program with respect to increased transit ridership and reduction in greenhouse gasses.

DECISION MAKING HISTORY:

CIVIC ENVIRONMENTAL COMMITTEE RECOMMENDATION:

On February 3, 2003, the Civic Environmental Committee passed the following motion, namely:

1. That the presentation made by the delegation be received as information.

2. That the proposal of The Manitoba Lung Association be referred to Executive Policy Committee for consideration. CEC requests a review of the program proposal to examine potential benefits of the program with respect to increased transit ridership and reduction in greenhouse gasses.
