Subject: Jan 20, 2021 EPC Meeting Item 4 2022 Municipal Election Question - Speed Limits in Residential Areas

Good Morning,

I am writing to express, for the public record, my support for a plebiscite / ballot question as part of the 2022 civic election on whether or not the speed limits should be reduced.

Furthermore, I would also like my opposition to reduce speed limits in the residential areas be placed in the public record. The residential streets have been engineered to current limits. Drivers who are aware of their surroundings and respect their neighbourhoods already regulate speed to the conditions. The problems are with individuals who are not responsible drivers and those individuals are not always law abiding so I do not feel lowering speed limits will resolve the issue.
