Hi Justin:

This pad has been installed entirely on LRSD property, entirely at LRSD expense.

Our awareness campaign with the division re the geese and our school's special circumstances was ultimately successful, so in the end the SBPA had no project involvement. Money was approved by the trustees for our asphalt project in their 08/09 operating budget, with the asphalt being installed by Maple Leaf Construction in August.

Can you please direct me regarding how to terminate our Riel Land Dedication Grant? Due to the aforementioned it is no longer required.

Thank you very much for all your support.

Best regards,

Sharon Wiens
