STANDING POLICY COMMITTEE ON

INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 514
Councillor Vandal questioned if there was any indication as to what the infrastructure improvements for Point Douglas would cost for the stadium redevelopment in that area to which Councillor Clement replied in the negative and noted that he had not had any involvement with any proposals.

Councillor Swandel inquired if there was any other assessment or analysis that Public Works was doing on the costs of infrastructure even though there was not even a Memorandum of Understanding between the parties to explore anything. Councillor Clement replied that he was not aware of any analysis of costs associated with the Point Douglas site.
