EXECUTIVE SUMMARY

Pre-Con Builders Ltd., on behalf of 1022 Pembina Ltd. (the "Purchaser(s)"), has submitted an application to close a part of the public lane east of 1022 Pembina Highway and west of 968 Merriam Boulevard for incorporation into the planned area under development application DASZ 53/2021 intended to establish a residential mixed-use district to facilitate the construction of a multi-family dwelling and permit the continued maintenance of a commercial building.

The Public Service recommends approval of the proposed closing. Before the lane may be conveyed, it must be legally closed and declared surplus to the City's needs.

RECOMMENDATIONS

1. That subject to Recommendation 2, the proposed closing as shown on Misc. Plan No. 15798 (attached hereto as Appendix B), be approved and the land declared surplus to the City's needs.

2. That the Director of Legal Services and City Solicitor be instructed to prepare and bring directly to Council for enactment a by-law to facilitate the closing in accordance with Misc. Plan No. 15798 subject to:

   A. the approval of the conveyance of the land by Council or its delegated authority, and

   B. the Purchaser(s) or assignee(s) fulfilling its obligations under the administrative conditions of approval outlined in Appendix A of this report.

3. That in the event the subject closing is not proceeded with expeditiously and the by-law:

A. is not enacted within two (2) years following the date the subject report is approved by Council; and

B. is not registered in the Winnipeg Land Titles Office within one (1) year following the date it is enacted by Council, the matter shall be deemed to be concluded and shall not be proceeded with, unless an extension of time is applied for, prior to the expiry of the two (2) year period referred to in clause A above, and Council approves the extension.

4. That subject to Council or its delegated authority's concurrence respecting terms and conditions of sale of the land, the City enter into, execute and deliver a Purchase and Sale Agreement with the Purchaser(s) or assignee(s) and such other agreements as determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements"), failing which this proposal shall be deemed rescinded and shall not be proceeded with.

5. That authority be delegated to the Chief Administrative Officer to negotiate and approve the terms and conditions of the Purchase and Sale Agreement and the Ancillary Agreements in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

6. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

All street and lane closings must be considered by the Community Committee.

Pursuant to section 12(1)(b) of Development Procedures By-law No. 104/2020, the relevant Community Committee is the hearing body for a combined hearing where a matter relates to a site located entirely within the geographical boundaries of one community and no part of the site is within the area to which the Downtown Winnipeg Zoning By-law applies.

Pursuant to section 12(2) of Development Procedures By-law No. 104/2020, a designated employee is authorized to determine that a public hearing in respect of a development application be combined with a development application for the legal closing of a street.

As per Section 3.1(i) of the City Organization By-law No. 7100/1997, only Council can declare City-owned property surplus.

IMPLICATIONS OF THE RECOMMENDATIONS

All costs associated with the closing are the responsibility of the Purchaser(s) or assignee(s). There are no financial implications for the City of Winnipeg.
