TO THE CHAIRPERSON AND MEMBERS
OF THE RIEL COMMUNITY COMMITTEE

RE: APPLICATION NO. DAC 17/2002 - PROPOSED CLOSING OF PART OF MISSION STREET AT DUGALD ROAD SAINT BONIFACE WARD

RECOMMENDATION:

That the Community Committee approve the proposed closing and recommend:

I. That the City Solicitor be instructed to prepare the necessary by-law for submission to Council to effect the closing in accordance with the attached **Schedule "A"** , Misc. Plan No. 10175/2.

II. That the proper officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

REASON:

All street closings require the consideration of the Community Committee.

HISTORY:

On July 17, 2002, Council approved the realignment of the Transcona North-South Route as part of Plan Winnipeg – 2020 Vision.

The Route as originally proposed is illustrated on Schedule "B". The realignment approved by Council is illustrated on Schedule "C."

The lands shown shaded and identified as "Subject City Property" on Schedule "A" had been reserved for the Transcona North-South Route. They are no longer required for that purpose, and the Real Estate Division of the Planning, Property and Development Department is now preparing to offer these lands for sale. The Real Estate Division proposes to close the subject portion of Mission Street and incorporate it into the property.

The street has never been constructed. The area is vacant land and serves no public purpose.

DISCUSSION:

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Manitoba Hydro has advised that it will require an easement for the maintenance of a utility pole line in the area.

The street must be legally closed before it may be incorporated into the adjoining lands and sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
