Report – Standing Policy Committee on Water, Waste and Environment – April 17, 2023

DECISION MAKING HISTORY (continued):

COUNCIL DECISION:

On March 23, 2023, Council ruled automatic referral of the following motion to the Standing Policy Committee on Water, Waste and Environment:

Moved by Councillor Gilroy,
Seconded by Councillor Mayes,

WHEREAS the Winnipeg Climate Action Plan outlines the City's role in reducing corporate carbon emissions and taking a leading role in protecting our environment;

AND WHEREAS at the COP-15 conference on biodiversity, which took place in Montreal in December 2022, countries across the world were encouraged to sign on to the Montreal Pledge as part of the Post-2020 Global Biodiversity Framework;

AND WHEREAS a number of Canadian municipalities including Montreal, Toronto and Vancouver have signed on to the Montreal Pledge to take 15 concrete actions to protect biodiversity;

AND WHEREAS many of the 15 actions identified in the pledge have already been, or are in the process of being, implemented by the City of Winnipeg;

AND WHEREAS the pledge encourages signatories to act swiftly to protect biodiversity and reduce pollution;

AND WHEREAS clause 15 of the pledge ensures equitable participation of Indigenous Peoples and local communities in decision-making and in the process of acquiring and transmitting knowledge about biodiversity;

THEREFORE BE IT RESOLVED that the Public Service report back within 90 days on the City of Winnipeg becoming a signatory to the Montreal Pledge: Cities United in Action for Biodiversity, (attached for reference as Appendix A).
