Minute No. 442
Report - Standing Policy Committee on Property and Development - June 2, 2009

Item No. 14 **Joint Funding Partnership - Veterans Affairs Canada - Refurbishment of the Military Field of Honour at Brookside Cemetery**
eFile PC-1

COUNCIL DECISION:

Council concurred in the recommendation of the Standing Policy Committee on Property and Development and adopted the following:

1. That the 2009 Capital Budget for the Planning, Property and Development Department be amended to facilitate expenditure of funding received from the Government of Canada (Veterans Affairs Canada) by inclusion of a budget line in the amount of $320,000.00 for a Brookside Cemetery Military Field of Honour Refurbishment program.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report - Standing Policy Committee on Property and Development - June 2, 2009

DECISION MAKING HISTORY:

Moved by Councillor Fielding,

That the recommendation of the Standing Policy Committee on Property and Development be adopted by consent.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On June 10, 2009, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Property and Development and submitted the matter to Council.

STANDING COMMITTEE RECOMMENDATION:

On June 2, 2009, the Standing Policy Committee on Property and Development concurred in the recommendation of the Winnipeg Public Service and submitted the matter to the Executive Policy Committee and Council.

ADMINISTRATIVE REPORT

ISSUE: **Council approval is required to amend the 2009 adopted capital budget to facilitate the expenditure of funds received from Veterans Affairs Canada (VAC), under a joint funding partnership for the refurbishment of the Military Field of Honour at Brookside Cemetery.**

Critical Path: **Standing Policy Committee on Property and Development – Executive Policy Committee - Council**

RECOMMENDATIONS

1. That the 2009 capital budget for the Planning, Property and Development Department be amended to facilitate expenditure of funding received from the Government of Canada (Veterans Affairs Canada) by inclusion of a budget line in the amount of $320,000 for a Brookside Cemetery Military Field of Honour Refurbishment program.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

IMPLICATIONS OF THE RECOMMENDATIONS

The Brookside Cemetery Military Field of Honour is considered a military interment site of significant importance in Canada, by both VAC and the Commonwealth War Graves Commission. The site is now regularly used as an educational resource by schools wanting to provide students with education in Canadian military history via an interactive learning experience.

Workplace Health & Safety Regulations require the City to ensure the safety of both employees and members of the public while on City property. As the beam foundations crack and holes appear, the military monuments become loose causing some to topple over. The toppling monuments and cracked or holed foundations have potential to cause injury to Cemetery Branch grounds employees at work, and members of the public visiting in the areas.

In March 2009, the City signed an Intergovernmental Letter of Agreement with Veterans Affairs Canada to receive $120,000 funding in the 2008-09 financial year. A Joint Funding Agreement is currently being prepared by VAC for approval and signing by the City of Winnipeg for the 2009 -10 financial year (VAC financial year is April 1 to Mar 31) in the sum of $200,000.

The City of Winnipeg will contribute $80,000 to the refurbishment project for the 2009 financial year, funded from the Cemeteries Branch adopted capital budget for 2009.

The City will initially finance project expenditures with the VAC contributions to be reimbursed to the City upon submission of appropriate documentation. Authorization for receipt and disbursements of these funds cannot take place until the Cemeteries Branch capital budget is increased.

HISTORY

During the past four years, the Cemeteries Branch has been negotiating with VAC to establish a working partnership involving joint funding agreements, to create a refurbishment program for the Brookside Military Field of Honour. The full refurbishment program is anticipated to take 10 to 15 years to complete, with funding for future years being renegotiated annually. The program involves replacement of the existing concrete beam foundations, into which are pinned the upright military monuments at each interment site along the beam. Some of the beams will require the installation of concrete support piers and all interment sections will need landscaping repairs and renewals following the beam replacements. The beam foundations are already failing in significant numbers and over the past two years there have been public complaints about the condition of the site and the disrespect they consider is being shown by allowing the failures to continue.

The Brookside Cemetery Military Field of Honour is owned by the City of Winnipeg, with the City as owner being liable to fund the cost of all repairs. In March 2009, the City signed an Intergovernmental Letter of Agreement with Veterans Affairs Canada (see ATTACHMENT 1) to receive $120,000 funding in the 2008-09 financial year (VAC financial year is April 1 to Mar 31), for the cost of purchasing replacement concrete beams.

In late 2008, the City established three-year contracts for supply of the concrete beams and the Military monument refurbishments. These contracts have positioned the Cemeteries Branch to be able to make use of additional funding from VAC if it becomes available at short notice and with strict timelines.
A Joint Funding Agreement is currently being prepared by VAC for approval and signing by the City of Winnipeg for the 2009-10 financial year (VAC financial year is April 1 to Mar 31). It is expected this agreement will be finalized in time for 2009 summer/fall construction season.

On December 16th, 2008, Council approved the 2009 Capital Budget and Five-Year Forecast that did not include funding for the Veterans Affairs Canada contribution to the refurbishment Program.
The partnership with VAC to refurbish the Brookside Cemetery Military Field of Honour will require the City to provide capital funding on an estimated 1:4 ratio for at least the next four years, with the potential for another ten years of funding being required to complete the refurbishment project.

ATTACHMENT 1

LETTER OF AGREEMENT # 3845-08-0012

Marker Mounting Beam Replacement Pilot Project
Brookside Cemetery, Winnipeg, MB

BETWEEN:

Veterans Affairs Canada

AND

the City of Winnipeg

WHEREAS Veterans Affairs Canada (hereinafter referred to as "VAC") and the City of Winnipeg (hereinafter referred to as "the City") have agreed to undertake the replacement and installation of beams for markers in the Veterans' sections of Brookside Cemetery, Winnipeg, Manitoba;

AND WHEREAS the Parties have obtained detailed cost breakdown estimates of the proposed work and have negotiated a cost-sharing arrangement;

NOW THEREFORE THE PARTIES AGREE AS FOLLOWS:

Background

The Field of Honour at Brookside Cemetery in Winnipeg, Manitoba is the oldest and the largest of its kind in Canada. There are approximately 12,000 Veterans buried at Brookside's Field of Honour. The Field of Honour sections contain concrete beams, into which are mounted the military monuments that mark each interment site. The concrete beams used in the past consisted of a) a solid trough or b) a precast hollow core. Both types of beam design are experiencing levels of failure due to age and weather deterioration. Veterans Affairs Canada and the City of Winnipeg (Cemeteries Branch) have been working in partnership to identify a beam design that will provide a longer lifespan, durability and require minimal or no maintenance.

Statement of Work

Following several years of testing by the University of Manitoba, Public Works Government Services Canada (PWGSC) created and produced the necessary specifications for new beams to be installed at Brookside Cemetery. The precast concrete beams will improve the stability of the Veteran grave markers. This will be a shared project between Brookside and VAC, in conjunction with PWGSC and all beams must be tendered and fabricated as per the specifications provided through PWGSC.

CEMETERY MAINTENANCE > $5000

An Intergovernmental Letter of Agreement between Veterans Affairs Canada and the City of Winnipeg for the Marker Mounting Beam Replacement Pilot Project at Brookside Cemetery, Winnipeg, Manitoba, as per the Letter of Agreement attached.

Delivery by March 31, 2009 required for the fabrication and delivery of foundation beams required for Veterans graves in Brookside (Municipal) Cemetery, Winnipeg.

The term of the Agreement is from March 3, 2009 to March 31, 2009.

Veterans Affairs Canada agrees to pay you an amount not to exceed one hundred and twenty thousand dollars ($120,000.00), GST extra.

Payment will be made upon satisfactory completion of the work and presentation of an original invoice with receipts, if applicable, to Rita MacKenzie, Veterans Affairs Canada, Project Authority, Ph (902) 566-7712, as per the address in the attached Terms of Agreement.

This agreement may be terminated by either party giving ten (10) days written notice to the other.

The office of prime interest will be the Canada Remembers Division, Veterans Affairs Canada.

If the foregoing is acceptable to you, please sign and return a copy of this Agreement to:

Veterans Affairs Canada, Procurement & Contracting Services, PO Box 7700, IB 018, Charlottetown, PE, C1A 8M9, Attn: Elva Ellis-MacDonald, VAC Contracting Authority, Ph (902) 368-0237, Fax (902) 368-0397.

b) the City of Winnipeg will be responsible for all labour costs associated with the pilot project.

Basis of Budget and Payment

4. The City of Winnipeg will invoice VAC for reimbursement of the costs associated with the production of the foundation beams:

Fiscal Year 2008-2009: To be invoiced by April 30, 2009 - Costs not to exceed $120,000.00 plus GST.

Indemnification

5. The supplier shall indemnify and save harmless Her Majesty the Queen in Right of Canada and VAC from and against all claims, losses, damages, costs, expenses, actions and other proceedings made, sustained, brought, threatened to be brought or prosecuted, in any manner based upon, occasioned by or attributable to any injury to or death of a person or damage to or loss of property arising from any wilful or negligent act, omission or delay on the part of the City, the City's servants or agents in performing the work or as a result of the work carried out under the terms of this agreement.
