Re: Proposal to rename 'Water Avenue' as 'William Stephenson Ave.'

Date: Sept 23, 2009

On behalf of the Intrepid Society and the individuals and organizations who favour naming a street in Stephenson's honour, we reiterate our support for the proposed renaming of 'Water Ave.' as 'William Stephenson Ave.'

The Intrepid Society has considered the various extensions, that is Way, Drive/etc., without reaching a consensus. However, the general feeling is that the extension 'Avenue' would be satisfactory.

Thank you.
