Dear Sir and Madam:

Re: Amendment to Development Agreement AG 45/04
FILE: AG 45/04 (PLEASE QUOTE WHEN REPLYING)

At its meeting held on September 27, 2006, City Council approved that Development Agreement AG 45/04 be amended by deleting the requirement that the Developer construct a sidewalk on the east side of Gateway Road.

It is hereby understood and agreed that Development Agreement AG 45/04 is amended by deleting Clause 8 in Section I of Schedule "C" in its entirety and replacing same with a new Clause 8 as follows:

"1. a) The Developer shall, at no expense to the City, construct a 1.5m in width by 100mm in thickness portland cement concrete sidewalk along both sides of Headmaster Row as determined by and to the satisfaction of the Director of Public Works.

b) The Developer shall, upon execution of this agreement, pay its share of the cost of a concrete sidewalk to be constructed by the City on the east side of Gateway Road from Knowles Avenue to the south limit of the Planned Area on the basis of the Local Improvement rate therefor at the time payment is made. Based on the 2007 rate, that share is calculated as follows:

i)	596.6' x $15.89/ft =	$ 9,479.97
ii)	G.S.T. (6%) on i) above	568.80
		$10,048.77 "

Please return both copies of this Letter Agreement executed in the spaces provided after which a copy executed by the City will be returned to you. It is understood and agreed that such execution will operate to amend Development Agreement AG 45/04 and no further documentation will be required.
