Minutes – Council – January 25, 2024

Minute No. 100
Report – Executive Policy Committee – January 16, 2024

Item No. 5 Local Improvement – Riverbank Stabilization along Riviera Crescent (Fort Rouge-East Fort Garry Ward)

COUNCIL DECISION:

Council concurred in the recommendation of the Executive Policy Committee, as amended, and adopted the following:

1. That funding from the Province of Manitoba and the Federal Government be requested to address slope instabilities and provide additional protection and necessary stability improvements to ensure the long-term integrity of areas at risk for properties along Riviera Crescent.

2. That subject to funding from the Province of Manitoba and the Federal Government being secured, a local improvement or local improvement district be initiated pursuant to Section 408(a) of the City of Winnipeg Charter, as follows:

Local Improvement or Local Improvement District	Location
Flood protection and riverbank stabilization work	Boundary from the Eastern most point of 940 Riviera Crescent to the most South-Eastern point of 1030 Riviera Crescent for all properties located on the Red River.

3. That the process as outlined in The City of Winnipeg Charter with respect to local improvement or local improvement district initiated by the City be undertaken.

4. That funding from the Province of Manitoba and the Federal Government be requested to address slope instabilities and provide additional protection and necessary stability improvements to ensure the long-term integrity of areas at risk for properties from the northern most point of 451 Rue Notre Dame up to La Fleche Street."

Report – Executive Policy Committee – January 16, 2024

COUNCIL DECISION (continued):

5. That subject to funding from the Province of Manitoba and the Federal Government being secured, a local improvement or local improvement district be initiated pursuant to Section 408(a) of the City of Winnipeg Charter, as follows:

Local Improvement or Local Improvement District	Location
Flood protection and riverbank stabilization work	Boundary from the northern most point of 733 La Fleche Street, to approximately 131 meters south west of the northern most point of 451 Notre Dame.

6. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Executive Policy Committee – January 16, 2024

DECISION MAKING HISTORY:

Moved by His Worship Mayor Gillingham,
That the recommendation of the Executive Policy Committee be adopted

In amendment,
Moved by Councillor Allard,
Seconded by Councillor Rollins,

BE IT RESOLVED that Item 5 of the Report of the Executive Policy Committee dated January 16, 2024 be amended as follows:

- Add the following new Recommendations 4 and 5 and renumber the remaining accordingly:

  "4. That funding from the Province of Manitoba and the Federal Government be requested to address slope instabilities and provide additional protection and necessary stability improvements to ensure the long-term integrity of areas at risk for properties from the northern most point of 451 Rue Notre Dame up to La Fleche Street."

  5. That subject to funding from the Province of Manitoba and the Federal Government being secured, a local improvement or local improvement district be initiated pursuant to Section 408(a) of the City of Winnipeg Charter, as follows:

Local Improvement or Local Improvement District	Location
Flood protection and riverbank stabilization work	Boundary from the northern most point of 733 La Fleche Street, to approximately 131 meters south west of the northern most point of 451 Notre Dame.

Carried

Councillor Wyatt was absent from the vote on the above motion.

The motion for the adoption of the recommendation of the Executive Policy Committee, as amended, was put and declared carried, with Councillor Wyatt being absent.

David Grant submitted a communication with respect to the matter.

Report – Executive Policy Committee – January 16, 2024

DECISION MAKING HISTORY (continued):

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On January 16, 2024, the Executive Policy Committee concurred in the recommendation of the City Centre Community Committee and submitted the matter to Council.

David Grant submitted a communication with respect to the matter.

COMMUNITY COMMITTEE RECOMMENDATION:

On January 5, 2024, the City Centre Community Committee recommended the following to the Executive Policy Committee:

1. That Council request funding from the Province of Manitoba and the Federal Government to address slope instabilities and provide additional protection and necessary stability improvements to ensure the long-term integrity of areas at risk for properties along Riviera Crescent.

2. That subject to funding from the Province of Manitoba and the Federal Government being secured, Council initiate a local improvement or local improvement district pursuant to Section 408(a) of the City of Winnipeg Charter, as follows:

Local Improvement or Local Improvement District	Location
Flood protection and riverbank stabilization work	Boundary from the Eastern most point of 940 Riviera Crescent to the most South-Eastern point of 1030 Riviera Crescent for all properties located on the Red River.

3. That the process as outlined in The City of Winnipeg Charter with respect to local improvement or local improvement district initiated by the City be undertaken.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
