Dear Ms. Timmins:

SUBDIVISION AND REZONING
346 Scotia Street
Lord Selkirk – West Kildonan Community
File No. DASZ 18/04

An application has been received from Arlene & Daniel Gibson for approval of a plan of subdivision and related zoning change to Zoning By-Law No. 6400/94 by rezoning the subject lands from a "PR1" Parks and Recreation District to a "R1-4" Residential District.

RELATED FILES: City of Winnipeg Zoning By-Law 4450/86

4132

SITE DESCRIPTION:

Site Area, Existing Land Use and Zoning:

The site in question is currently occupied by a single detached residential home, and is approximately 19,000 sqaure feet (0.44 acres) in size. The majority of the site is zoned 'R1-4' Residential, while a triangular piece in the southwest corner of the lot is zoned 'PR1' Parks and Recreation.

Surrounding Land Use and Zoning:

North: Hartford Avenue, then detached residential buildings (R1-4)
South: A public lane, then detached residential buildings (R1-4)
East: Scotia Street, then detached residential buildings (R1-4)
West: A park area and a school (PR1)

DEVELOPMENT DESCRIPTION:

The applicant is proposing to rezone a portion of the site from 'PR1' Parks and Recreation District to 'R1-4' Residential District, and subdivide the property into two lots. The existing detached residential home would remain on a larger lot (12,176 square feet), while a new lot would be created in the south eastern portion of the site, with a proposed lot area of 6,898 square feet. Both of the proposed lots comply with the development standards for the 'R1-4' Residential District, and are consistent in size with other residential lots in the surrounding area.

PLAN WINNIPEG:

The subject property falls within a designated Neighbourhood Policy Area under Plan Winnipeg, which allows for mixed use, commercial, and residential development; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

ADMINISTRATIVE COMMENTS:

The Planning & Land Use Division supports the proposed rezoning and subdivision of the subject property. The rear portion of the site in question was incorrectly rezoned to "PR1" Parks and Recreation District as part of the City of Winnipeg By-Law 4450/86, also known as the "Lord Selkirk – West Kildonan By-Law", which established the zoning and development standards for the north west portion of the City. As part of the process of establishing the by-law, the City of Winnipeg drafted a series of zoning maps for the area to be incorporated into the by-law document. During the course of drafting the zoning maps, the zoning boundary for the subject property was incorrectly moved, and now no longer matches the boundaries of the present lot. It is important to note that the zoning boundary prior to the establishment of By-Law 4450/86 did match the existing lot boundaries, and the entire site was zoned 'R1-4' Residential. The proposed rezoning will correct this previous error, and re-establish the proper zoning for the entire site. In addition, the proposed subdivision meets all development standards in terms of lot size, width, and setbacks, and is consistent with the character of the residential area.

RECOMMENDATION:

I. That the plan of subdivision proposed under File No. DASZ 18/04 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 18/04, attached hereto and dated June 29, 2004, for registration in the Winnipeg Land Titles Office.

II. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DASZ 18/04, attached hereto and dated June 29, 2004, to an "R1-4" Residential District.

IV. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

V. That the City Solicitor be requested to prepare the necessary by-law in accordance with the above.

VI. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement.

VII. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office, **provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.**

VIII. That the Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

IX. That in the event the necessary City of Winnipeg mylar approval signatures have not been secured within 24 months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.
