HISTORY

On October 22, 2008 Council adopted Item 5 of the report of the Standing Committee on Property and Development dated October 2, 2008 which clause recommended approval of the subject rezoning to an “RMU” RESIDENTIAL MIXED USE DISTRICT as shown on the attached Schedule “A” to allow for residential/commercial development.

Recommendation 3 contained in the said report stipulates:

> "That in the event this application is not proceeded with expeditiously and the By-law is not enacted within twenty-four (24) months after adoption of this report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

Recommendation 5 further stipulates the following:

> "That the zoning section of the By-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office and the Zoning Agreement has been filed by caveat in the Winnipeg Land Titles Office against those lands provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning By-law is adopted by Council."

The rezoning By-law No. 150/2004 was passed by Council on October 22, 2008. The enactment section of the By-law required that the Zoning Agreement caveat be registered in the Winnipeg Land Titles Office by October 22, 2009, failing which the By-law shall expire unless that date is extended by a resolution of City Council and that registration is completed before any such extended date. The By-law has not been enacted and is now deemed expired.

Mr. Sam Chang (Yong-Im Chang), 97 Queen’s Park Crescent, Winnipeg, Manitoba, R3P 1Z8, being one of the registered owners is requesting a further one-year extension of time in order to complete the rezoning requirements. Mr. Chang acknowledges the Zoning Agreement failed to proceed to registration based on confusion and error between the registered owners and their lawyer. Although this by-law is now deemed expired, by virtue of the fact that the application was non-controversial and there was no opposition at the public hearing, the Winnipeg Public Service has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable in view of the fact that the circumstances leading to the original approval remain unchanged.
