2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Owner will be allowed a time extension to December 15, 2024, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On July 21, 2022, Council adopted Item No. 14 of the Standing Policy Committee on Property and Development, Heritage and Downtown Development, dated July 4, 2022, which recommended approval of a subdivision and rezoning to a "PR1" Parks and Recreation 1 (Neighbourhood) District under Winnipeg Zoning By-Law 200/2006. See Appendix “A” map attached.

The rezoning By-law No. 133/2022 was enacted by Council on December 15, 2022.

Sections 3 and 4 of By-law No. 133/2022 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision and the Zoning Agreement are registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision and the Zoning Agreement have not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

(a) The owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

On January 25, 2024, Council adopted Item No. 12 of the Report of the Standing Policy, Committee on Property and Development, dated January 11, 2024, extending the time limit to satisfy the Coming into Force provisions of By-law 133/2022, for an additional six (6) months, to June 15, 2024

By-law No. 133/2022 has not come into force, by the required registration of the Plan of Subdivision and the Zoning Agreement, and the six (6) month time limit will expire on June 15, 2024.

On June 10, 2024, Michal Kubasiewicz, representing Ironclad Developments Inc., 101-57158 Symington Road 20E, Springfield, Manitoba, R2J 4L6, applied for an Extension of Time application and requested that the time limit to satisfy the Coming into Force provisions of By-law No. 133/2022 be extended to December 15, 2024 in order to complete the required registrations. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

OUR WINNIPEG POLICY ALIGNMENT

The subject subdivision and rezoning will result in the establishment of a high-density multi-family residential development that is consistent with policies in the *OurWinnipeg 2045, Complete Communities 2.0* and area context.

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

The proposal complies with the Winnipeg Climate Action Plan because the proposed development would increase the density of urban development along a key transit corridor.
