STANDING POLICY COMMITTEE ON

INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 236

Councillor Smith noted there was a problem with garbage collection and that residents were told when they phoned 311 that it would take 15 days for someone to assess the situation. Councillor Smith questioned if the Chair of the Standing Policy Committee on Infrastructure Renewal and Public Works agreed that more resources should be assigned so residents would not have to wait 15 days to have a situation looked at; to which Councillor Clement agreed that it was not appropriate.
