10. Non-competitive spending. This city spends more of our money in this way than any org with which I have been involved. Since value and efficacy can not be effectively assessed on most of this spending, current rules should be considered the minimum. Deviations and waivers to move far from purchasing norms, should be avoided. Our audit team should report on value and efficacy in single-source spending.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes
