REASON FOR THE REPORT

Council approval is required to enter into a Memorandum of Understanding with the Government of Manitoba.

IMPLICATIONS OF THE RECOMMENDATIONS

In the negotiated agreement, the parties have developed a strategy to govern the Manitoba Housing and Renewal Corporation (MHRC) requests for information from the Winnipeg Police Service. The disclosed information will solely be used to administer and enforce sanctions provided for under *The Residential Tenancies Act* (Manitoba).

HISTORY

The Manitoba Housing and Renewal Corporation (MHRC) owns and administers rental accommodation in Winnipeg. Occasionally, incidents may occur on or in proximity to premises owned by the MHRC which result in attendance by the Winnipeg Police Service.

The MOU outlines a formal process to govern MHRC requests for information from the Winnipeg Police Service, as submitted by those holding or "acting" in the positions of Manager of Security Operations, as well as Investigator. The disclosed information will solely be used to administer and enforce sanctions provided for under *The Residential Tenancies Act* (Manitoba).

Under certain circumstances, the MHRC may disclose the information to the Minister of Housing and Community Development, Government of Manitoba. MHRC and the Government of Manitoba acknowledge that they are subject to *The Freedom of Information and Protection of Privacy Act* (Manitoba) and *The Personal Health Information Act* (Manitoba) and will comply with those statutes in dealing with the Information.

The Service may respond to event information requests by providing current and historical information concerning incidents occurring on or in relation to MHRC premises. The WPS will provide an invoice detailing the costs attached to providing the response in accordance with the Fees and Charges Manual adopted in accordance with the City of Winnipeg by-laws. The MHRC will reimburse the WPS for costs incurred, including locating and copying the information, and, where necessary, severing material not subject to disclosure from the information.
