C. Terms of Reference Directives

Directives in the Workplan are taken from the “Function” and “Responsibilities” sections of the Winnipeg Food Council Terms of Reference.

FUNCTION

3. The Food Council’s Function is to:

(1) Advise the Mayor and Council on food system related issues;

(2) Support the work of the community on food issues, enhance public health and local food security, and increase food literacy and access to food by encouraging multi-sector and strategic approaches, fostering coordination and networking, and supporting ongoing consultation; and

(3) Initiate the development of and support the implementation, maintenance and evaluation of a City of Winnipeg Agricultural and Food Strategy to address municipal food security and food system issues. The City of Winnipeg Agricultural and Food Strategy will:

(a) include policy directions identified through community engagement, focused research, innovative initiatives, and other actions to identify proven practices;

(b) include evaluation and implementation components; and

(c) be operationalized in partnership with the Winnipeg Public Service, the local food movement, businesses, community agencies, stakeholder groups, and private citizens.

(4) Like other citizen committees working with cross-departmental issues impacting all citizens, the Winnipeg Food Council will be required to submit for Executive Policy Committee’s approval:

(a) An annual report, which includes a review of work done over the previous year by the Food Council and updates on the progress of City departments in implementing Winnipeg Food Council recommendations;

(b) An annual workplan, which includes proposed committee activities and action items; and

(c) An operating budget detailing projected expenditures and revenue sources for the upcoming calendar year, to be endorsed by the Food Council and approved by the Executive Policy Committee.

RESPONSIBILITIES

5. Food Council Responsibilities are as follows:

Responsibilities Related to City Council

c. Review and offer advisory input into process, policy and programs regarding food issues.

d. Receive referrals from Council or its Committees for review and recommendation.

e. Recommend through Executive Policy Committee areas of research or work to be undertaken by the Winnipeg Public Service.

Responsibilities Related to City Departments

f. Support the creation, implementation and evaluation of an Agricultural and Food Strategy.

g. Foster connections within and between City departments, identifying potential efficiencies and opportunities for improved service.

h. Assist the City of Winnipeg to respond to food-related issues within its jurisdiction by using a food systems approach.

i. Monitor progress of City departments in implementing Winnipeg Food Council recommendations.

Responsibilities Related to the Public

j. Promote communication and involvement between the City and the community.

k. Enhance and connect food-related initiatives from various sectors.

l. Engage citizens, industry, other levels of government, and community groups on food issues as required.

Responsibilities Related to Winnipeg Food Council Members

m. Winnipeg Food Council members shall keep informed about:

i: other cities' food policy initiatives

ii. current best practices in multi-sectoral approaches to issues; and

iii. individuals and organizations who deal with food policy and programing.

n. Members are expected to attend meetings regularly, be punctual, prepared, respectful, engaged, open to others' opinions, and willing to work together.

o. Members will also be expected to participate in working groups if applicable, and commit approximately 5-6 hours/month to regular and working group meetings, material preparation, and other tasks if applicable.
