Report – Standing Policy Committee on Protection and Community Services - September 13, 2010

Item No. 3 Community Incentive Grant – Dakota Nursery School (St. Norbert Ward) eFile PR-2.6(35)

STANDING COMMITTEE RECOMMENDATION:

On September 13, 2010, the Standing Policy Committee on Protection and Community Services concurred in the recommendation of the Riel Community Committee and recommends to Council:

1. That the following eligibility criteria for the Community Incentive Grant Program be waived in this instance, namely:
   A. The Organization is a non- profit community organization offering sport or recreation services or is a non-profit community organization that contributes to the health and well being of the community, but not through the development of a sport or recreation capital project that is accessible to the community

2. That a Community Incentive Grant in the amount of $5,000.00, funded equally from the St. Norbert and St. Vital Ward allocations, be approved to the Dakota Nursery School to assist with the cost of the Dakota Nursery School Bathroom project, subject to the following conditions:
   A. Confirmation of other funding sources;
   B. Approval of final plans and specifications for the project by the Director of Community Services; and
   C. The applicant entering into a formal agreement with the City of Winnipeg.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Pursuant to the Voting Requirements By-law No. 126/2003, any Community Incentive Grant that does not comply with the terms contained in the Community Incentive Grant Policy requires approval by two-thirds of the Members present at Council.

June 24, 2010

Dear Gord Steeves

Thank you for considering Dakota Nursery School's application for the Community Incentive Grant Program.

The initiative for this project has been the support of the sixty families registered in the programme this year. They realized the need we have for a toilet and sink in our classroom and have fundraised over $4,900.00 in the 9 months of our session.

For the past 20 years Dakota Nursery School staff has had to accompany every 3 & 4 year old down the hall to the main 2nd floor washroom, leaving one staff person alone in the classroom with the remaining children. We have had an exemption to our licensing ratios to allow this practice to continue.

This spring Family Services has mandated all Day Cares, including Nursery Schools to develop a locked door policy. This is to help ensure the safety of every one in their care. We have the facility to comply with this regulation, but it is difficult to keep everyone locked in when we must run down the hall to the bathroom with every child, sometime in quite a hurry.

The Dakota Community Centre has also acknowledged this need and has made the motion to support this bathroom project. (See letter attached).

The DCC Building Manager-Bob Salons is helping us make and implement this plan. Estimates have been received for the installation of water and waste, electrical and venting.
An architectural drawing is still to come
Dakota Community Center staff will build the walls and frame and install the doors.
Dakota Nursery School Staff will paint and finish the interior and exterior walls.

Dakota Nursery School Parent Committee and Staff have the goal for this to be complete for the beginning of class in September 2010.

With the team of Parent Leaders and Fundraisers, Dakota Community Center Staff and Your Support this will happen. Dakota Nursery Scholl will be a safe place for many years and we will meet the requirements of our locked door policy.
