STANDING POLICY COMMITTEE ON

INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 567
Councillor Thomas referred to garbage that was not being picked up in the northeast quadrant of the City and inquired if Councillor O'Shaughnessy would assure her that it would be picked up.

Councillor O'Shaughnessy replied that he would attempt to do exactly that. He added that he had just received from the administration a response to his inquiry about this issue that was not satisfactory. He concluded that he would try to get a more satisfactory answer that included some action to make sure that the litter was taken care of in a proper fashion.
