THE CITY OF WINNIPEG

BY-LAW NO. 7684/2000

A By-law of THE CITY OF WINNIPEG to amend By-law No. 2381/79, being a By-law to prohibit the sounding of engine whistles at certain highway crossings in the City of Winnipeg of the Canadian National Railways Letellier Subdivision.

THE CITY OF WINNIPEG, in Council assembled, enacts as follows:

1. This By-law amends By-law No. 2381/79, being a By-law to prohibit the sounding of engine whistles at certain highway crossings in the City of Winnipeg of the Canadian National Railways Letellier Subdivision.

2. Clause 1 of By-law No. 2381/79 is deleted in its entirety and substituted with the following:

> "1. The sounding of any engine whistle, in accordance with Rule 14(L) of the Canadian Railway Operating Rules, in respect of the following railway crossings within the limits of THE CITY OF WINNIPEG is hereby prohibited:
