RECOMMENDATIONS

That Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time limit to provide for the enactment of the necessary rezoning by-law under File No. DAZ 235/04 be extended to March 15, 2013.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

The applicant, Alec Katz, on behalf of the current owner, ViceVersa Developments Inc., will be allowed a two (2) year extension in order to complete the necessary rezoning bylaw under DAZ 235/04.

HISTORY

On June 29, 2005, Council adopted Item No. 2 of the report of the Standing Policy Committee on Property and Development dated June 7, 2005 which clause recommended approval of the subject rezoning to a "C2" COMMERCIAL DISTRICT as shown on Appendix "A" attached to allow for residential and commercial development.

Recommendation 4 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

The By-law has not been enacted and the twenty-four (24) month time limit will expire on March 15, 2011.

On January 28, 2009, Council adopted Item No. 8 of the report of the Standing Policy Committee on Property and Development dated January 6, 2009 and approved an extension of time for the enactment of the necessary zoning by-law be extended to March 15, 2011.

On January 24, 2007, Council adopted Item No. 3 of the report of the Standing Policy Committee on Property and Development dated January 9, 2007 and approved an extension of time for the enactment of the necessary zoning by-law be extended to March 15, 2009.

The applicant, Alec Katz, 224-1400 Lynburne Place, Victoria, B.C. V9B 0A4 is requesting a further extension of time in order to complete the necessary rezoning bylaw requirements. The applicant advises that the extension is required as an application with the Province of Manitoba related to the bridge air rights over the Assiniboine River continues with no response, see attached Appendix “B”.

The Winnipeg Public Service has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

FINANCIAL IMPACT

There is no financial impact associated with this recommendation.

Dear Ms. Savage:

Re: DAZ 235/04

Please be advised that we would like an extension on the execution of this particular application. Please extend the application to the maximum allowable. An extension is required as there is an ongoing application with the Province of Manitoba Department of Conservation on the air rights agreement related to the bridge. To date the province has not provided this response.
Upon receipt of request for payment I will ensure same is made to Cheryl McDonald in the amount of $427.00. Thank you for your assistance on this matter.

Yours truly,

Alec Katz, Architect (Retired)
President ViceVersa Developments
