HISTORY

On November 18, 2008 Council adopted the Skywalk Agreement for the Weather Protected Walkway System.

On May 27, 2009 Council approved the three Local Improvement Projects for the parties named in the Skywalk Agreement, with Local Improvement Authorization By-laws as follows:

Project	Local Improvement Authorization By-law No.	Local Improvement Tax Imposition By-law No.
330 St. Mary Ave.	88/2009	
333 St. Mary Ave. (Cityplace)	89/2009	13/2011
350 St. Mary Ave. (Delta Hotel)	87/2009	14/2011

The Weather Protected Walkway System was completed in October 2010. The related Tax Imposition By-laws require Council approval prior to realty tax billing in April 2011. This will provide the authority to impose the Local Improvement annual levy on the property tax bill for each property above.

The Tax Imposition By-laws for 333 St. Mary Ave. and 350 St. Mary Ave. were passed by Council on Feb 23, 2011. The Tax Imposition By-law for 330 St. Mary Ave. has not been approved by Council, and that is the reason for this report.

The registered owner of 330 St. Mary Ave. made a formal request with the City to amend the Local Improvement Authorization By-law 88/2009 to include the adjacent property to the south; 175 Hargrave St. (see Attachment 1). This request was considered by the Winnipeg Public Service due to the following:

- The registered owner for 330 St. Mary Ave. is the registered owner of 175 Hargrave St. as well.
    - A revised "Petition For" form was signed by the registered owner for both properties on December 29, 2010 and received by the City on December 30, 2010.
- 175 Hargrave St. benefits from the Weather Protected Walkway System.
- 175 Hargrave St. is connected to 330 St. Mary Ave. via underground parkade, so tenants of 175 Hargrave St. can access the Weather Protected Walkway System.
- The requested change only impacts on the realty tax billing to 330 St. Mary Ave. It does not affect anything to do with the construction of the Walkway itself. Further, it has no impact on the other two parties to the Skywalk Agreement - 333 St. Mary Ave. (Cityplace), and 350 St. Mary Ave. (Delta Hotel).
- This change simply adds one roll number to the Local Improvement Project for 330 St. Mary Ave. Therefore, the registered owner will receive a Local Improvement Levy on two tax bills (instead of one bill as originally set up).

The inclusion of 175 Hargrave St. required an amendment to the Skywalk Agreement. The Skywalk Amending Agreement was prepared and circulated to all three parties. All have signed as of the date of this report.

Council approval of the Skywalk Amending Agreement is required and, in turn, Council approval to amend Local Improvement Authorization By-law No. 88/2009 is required *prior to* the Tax Imposition By-law for 330 St. Mary Ave. being passed by Council on March 23, 2011.
