REPORTS

Item No. 5 Online Availability for Athletic Field Bookings

Councillor Lukes, Waverley West Ward, has submitted the following motion to the Assiniboia Community Committee for consideration:

WHEREAS as the City grows and densifies, there is increased demand placed on parks and recreation sites, including athletic fields;

AND WHEREAS the only way for the public to determine if an athletic field has been booked for a particular time is to call 311;

AND WHEREAS when a citizen calls 311 to determine if an athletic field has been booked for a particular time, 311 does not have access to the current bookings and must call a Parks Booking Agent;

AND WHEREAS many booking inquiries for athletic fields occur in the evening and on weekends when the Parks Booking Agent is not available;

AND WHEREAS there is no way for the public to view athletic field availability online;

THEREFORE BE IT RESOLVED that the Standing Policy Committee on Community Services be requested to direct the Winnipeg Public Service to report back with a method for the public to view current athletic field bookings online.
