STANDING POLICY COMMITTEE ON

INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 419

Councillor Wyatt noted that it recently came to his attention that there was a cut to the Parks and Open Spaces Division budget of about $450,000 that impacted park maintenance schedules, reducing community park maintenance from a 10 day to a 14 day cycle and neighbourhood parks / boulevards from 14 to 17 days, and asked the Chair to report back on the cycle for parks and boulevard maintenance for last year and this year. Councillor Vandal confirmed that he would investigate the matter with the Director of Public Works and report back to Councillor Wyatt.
